- (8) **CONTROL.** The power to direct or cause the direction of the management or policies of a person, whether through ownership of securities, by contract, or otherwise. Any individual or firm that is a director, partner or officer exercising executive responsibility (or having similar status or functions) or that directly or indirectly has the right to vote 25 per cent or more of the voting securities of a person or is entitled to 25 percent or more of the profits of a person is presumed to control that person.

- (10) **CUSTOMER.** The person being charged a commission or fee, being rendered a service, being sold a security, being solicited to sell a security, or receiving investment advice. However, the term "customer" shall not include the broker-dealer or investment adviser charging the commission or fee, offering the services, or rendering the investment advice.
- (11) **DISCRETION or DISCRETIONARY AUTHORITY.** As used in Section 23-42-305(a) of the Act, the term "discretionary authority" or "discretion" means the authority which an investment adviser possesses by virtue of a limited power of attorney or other grant of authority enabling such investment adviser to determine what securities or other property shall be purchased or sold by or for an account, or make decisions as to what securities or other property shall be purchased or sold by or for an account even though some other person may have responsibility for such investment decisions.

The term "discretionary authority" shall not include the authority of an investor adviser to direct purchases or sales of securities in an account provided the following conditions are met:

- (A) The limited power of attorney or other grant of authority precludes the possibility of disbursements of cash or securities from the account to the investment adviser other than for the payment of advisory fees due to the investment adviser;
- (B) The investment adviser receives no compensation or pecuniary benefit, either directly or indirectly, on account of or as a result of any purchase or sale in the account, other than the compensation which he may receive for investment advice or for purely administrative services under the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1002, et seq.);
- (C) The investment adviser has no direct or indirect ownership interest in the broker-dealer or affiliation with the agent effecting the purchase or sale; or
- (D) The purchase or sale does not involve a security in which the investment adviser has an interest unless such security is:
  - (i) Listed or authorized for listing on the New York Stock Exchange, the American Stock Exchange, the National Market System of the NASDAQ Stock Market, or is otherwise a "covered security" under Section 18(b)(1) of the Securities Act of 1933;
  - (ii) Traded on the NASDAQ Stock Market; or
  - (iii) A security which has been determined by rule or order of the Commissioner to be exempt because it is sold on an exchange (or tier or segment thereof) which has listing standards substantially similar to the listing standards of the exchanges set forth in subparagraph (D)(i) of this subsection.

The Commissioner may upon written request and for good cause shown, waive any of the conditions set forth above.

- (12) **ENGAGED IN THE BUSINESS OF EFFECTING TRANSACTIONS IN SECURITIES.** As used in Section 23-42-102(3) of the Act, the term "engaged in the business of effecting transactions in securities" shall not include a business broker who, as part of the facilitation of the sale of business, including securities of the business, takes a fee provided all of the following conditions are met:
  - (A) the business broker has a limited role in negotiations between the purchaser and the seller;
  - (B) the businesses represented by the business broker are going concerns and are not "shell" organizations;
  - (C) only assets are advertised or otherwise offered for sale by the business broker;
  - (D) transactions effected by means of securities convey all of the business' equity to a single purchaser or group of purchasers formed without the assistance of the business broker;
  - (E) the business broker does not advise the parties whether to issue securities or assess the value of any securities sold;
  - (F) the business broker's compensation does not vary according to the form of conveyance the parties agree to; and
  - (G) the business broker does not assist purchasers in obtaining financing other than to provide to a party a list of potential lenders.
- (13) **EXEMPTION.** As used in Sections 23-42-503 and 23-42-504 of the Act, the term "Exemption from registration" shall mean that the security itself or the transaction as a whole qualifies for the claimed exemption pursuant to Sections 23-42-503 and 23-42-504. The exemption is from Sections 23-42-501 and 23-42-502 only and not from Sections 23-42-106 and 23-42-507.
  - (A) In order to qualify for an exemption, each applicant must meet each of the technical requirements of the particular exemption claimed under Sections 23-42-503 or 23-42-504. A failure to comply with any one material technical element will render that exemption unavailable to the claimant. The burden of proof for an exemption under Sections 23-42-503 or 23-42-504 shall be on the claimant.

- (B) Each of the exemptions set forth in Sections 23-42-503(a)(3), (4), (5), (7); 23-42-503(c); and 23-42-504 (a)(9) and (10) first requires a filing with the Department as the initial step in the exemption process. Such exemption is unavailable unless the required filing is made. An issuer relying on Section 23-42-503(b) should refer to the applicable Rule to ascertain filing and other requirements.
- (14) **INDICATIONS OF INTEREST.** Communications and/or actions on the part of a customer, or the solicitation thereof, which give rise to the inference that such customer may purchase the yet-to-be issued securities.
- **INVESTMENT INTENT.** Securities purchased under the Act and these Rules (15)with "investment intent" cannot be purchased with a view to, or for resale in connection with any sale or hypothecation. Securities purchased with investment intent cannot be disposed of unless the securities are registered under the Act or, in the opinion of counsel for the issuer, an exemption from the registration requirements of the Act is available. As a result, the purchaser of these securities must be prepared to bear the economic risk of the investment for an indefinite period of time and have no need of liquidity of the investment. Where securities are purchased under the Act for investment, investment intent shall be presumed if the purchaser retains such securities for two (2) years from the date of consummation of the sale. However, any disposition of the securities within two (2) years of the date of purchase, in the absence of an unforeseeable change of circumstances, shall create a presumption that the person did not purchase the securities with investment intent. Securities purchased with investment intent are deemed "restricted" securities and must bear an appropriate legend restricting retransfer.
- (16) **MSRB**. Municipal Securities Rulemaking Board.
- (17) **NASD.** National Association of Securities Dealers, Inc.
- (18) **NOTICE FILING.** A filing made pursuant to Section 23-42-301(c)(1) of the Act in the case of investment advisers, and Section 23-42-509 of the Act in the case persons issuing or offering securities.
- (19) **OFFER OR OFFER TO SELL.** For the purposes of Sections 23-42-501 and 23-42-502 of the Act, the term "offer" or "offer to sell" as defined in Section 23-42-102(11)(B) shall not include negotiations, agreements or similar communications with respect to a proposed reorganization provided such negotiations, agreements or similar communications are incidental to the formulation of a proposal of a reorganization and, except for the merger of a subsidiary entity into its parent, a vote of approval and consent of security holders is required to effectuate the proposed transactions.

- (20) **PARENT**. An affiliate controlling another person.
- (21) **PLACE OF BUSINESS.** The term "place of business" means:
  - (A) Any office or other location at or from which an investment adviser, investment adviser representative, broker-dealer, or agent regularly provides investment advisory or broker-dealer services, solicits, meets with, or otherwise communicates with clients; and
  - (B) Any other location that is held out to the general public as a location at which the investment adviser, investment adviser representative, broker-dealer, or agent provides investment advisory or broker-dealer services, solicits, meets with, or otherwise communicates with clients.

- PROOF OF EXEMPTION. "Proof of Exemption" as used in Sections 23-42-503(d) and 23-42-504(b) shall mean the filing made by an applicant, together with any supporting documents and written statements of the applicant as set forth in the appropriate rule, whereby the applicant describes his expected conduct during the exemption process and demonstrates his disclosure and antifraud responsibilities required in order to qualify for the exemption. A proof of exemption is not in and of itself an exemption. It is merely the filing by which an applicant requests the Commissioner not to withdraw the availability of use of the exemption based on the applicant's demonstration of his recognition of the technical requirements necessary to qualify.
- (25) **PUBLIC ADVERTISING**. Public advertising shall mean any form of general solicitation, general advertising or any other communication directed to persons whose background is unknown to the communicant, including but not limited to, the following:

- (28) **REPRESENTATIVE OF AN INVESTMENT ADVISER REGISTERED WITH THE SEC.** The term "representative of an investment adviser registered with the SEC" shall mean a supervised person of the investment adviser more than ten percent of whose clients are natural persons, but does not include a supervised person who:

For purposes of this subsection, natural persons who have at least \$500,000 under management with the investment adviser immediately after entering into the investment advisory contract, and natural persons whom immediately prior to entering into the investment advisory contract the investment adviser reasonably believes to have a net worth (together with assets held jointly with a spouse) of more than \$1,000,000 at the time the investment advisory contract is entered into shall not be included as clients of the investment adviser.

(29) **RESTRICTED SECURITY.** Restricted securities shall mean those securities which require purchase with investment intent and those securities which have additional transfer restrictions, such as shareholder agreements. Each restricted security should bear the appropriate restrictive legend. The following reflects retransfer restriction as to securities law:

#### "RESTRICTION ON RETRANSFER"

"The security represented by this certificate has been executed pursuant to an exemption from registration under the Securities Act of 1933 and the Arkansas Securities Act in reliance upon the representation of the holder hereof that the same is acquired for investment purposes. This stock may accordingly not be resold or otherwise transferred or conveyed in the absence of registration of the same pursuant to the applicable securities laws or unless an opinion of counsel satisfactory to the issuer is first obtained that such is not then necessary. Any transfer contrary hereto is void."

- (30) **REORGANIZATION.** The term "reorganization" shall mean any merger, consolidation, reclassification of securities, sale of assets in consideration of the issuance of securities of another person, exchange of outstanding securities for the issuance of securities or assets of another person, or other similar reorganization, pursuant to applicable statutory provisions of the jurisdiction under which such corporation or other person is organized, or pursuant to the provisions of its Articles of Incorporation or similar controlling instrument, which the approval or consent of the security holders is required to effectuate, or any merger of a subsidiary entity into its parent where such vote, approval or consent is not required by the applicable statute.
- (31) **SEC.** The Securities and Exchange Commission.

- (33) **SUBSIDIARY.** An affiliate controlled by another person.
- (34) **SUPERVISED PERSON.** With regard to investment advisers registered with the SEC, the term "supervised person" means any partner, officer, director, or employee of an investment adviser, or other person who provides investment advice on behalf of the investment adviser and is subject to the supervision and control of the investment adviser.
- (35) **UNDERWRITER.** The term "underwriter" means any person who has purchased from an issuer with a view to, or offers or sells for an issuer in connection with, the distribution of any security, or participates or has a direct or indirect participation in any such undertaking, or participates or has a participation in the direct or indirect underwriting of any such undertaking; but such term shall not include a person whose interest is limited to a commission from an underwriter or broker-dealer not in excess of the usual and customary distributors' or sellers' commission.
- (36) **VIATICAL SETTLEMENT CONTRACT.** An agreement for the purchase, sale, assignment, transfer, devise or bequest of any portion of the death benefit or

#### 206.01 GUIDELINES. INTERPRETATIVE OPINIONS.

- (A) **INTERPRETATIVE OPINIONS**. The following guidelines are set forth as to no-action letter procedure:
  - (1) Submit an original and one copy of each letter requesting an interpretative opinion. If the inquiry involves more than one subsection of a statute, or subsections of more than one statute, an additional copy of the letter should be submitted for each subsection involved.

- The specific subsection of the particular statute to which the letter pertains should be indicated in the lower right-hand corner of the original and each copy of the letter submitted pursuant to paragraph 1 above. Thus, for example, a letter requesting an interpretation of the Section 23-42-504(a)(9) exemption would be captioned "Section 23-42-504(a)(9) Exemption" and a letter requesting an interpretation of Rule 504.01(a)(9) under the Arkansas Securities Act would be captioned "Rule 504.01(a)(9)."
- (3) The names of each company or companies and all other persons involved should be stated. Letters relating to unnamed companies or persons, or to hypothetical situations, will not be answered.
- (4) Letters should be limited to the particular situation involving the problem at hand and should not attempt to include every possible type of situation which may arise in the future.
- (5) While it is essential that letters contain all of the facts necessary to reach a conclusion in the matter, they should be concise and to the point.
- (6) The writer should indicate why he thinks a problem exists, his own opinion in the matter and the basis for such opinion.
- (7) If a request for confidential treatment is made, this request and the basis therefore should be included in a separate letter and submitted with the interpretative request
- (B) INTERPRETATIVE OPINIONS AS PRECEDENT. It should be recognized that interpretative opinions by the Department are subject to reconsideration and should not be regarded as precedents binding on the Department. Furthermore, each interpretative opinion is conditional upon the representations made to the Department and the Department in responding to each request relies upon the accurateness of each representation. Each interpretative opinion of the Department applies only to the party requesting such interpretation. Persons having similar fact situations should submit their own request rather than rely on previous interpretative opinions taken by the Department.

  - (d) Investigatory records compiled for law enforcement purposes to the extent that production of such records would interfere with enforcement proceedings, deprive a person of a right to a fair trial or an impartial adjudication, or disclose the identity of a confidential source. In a particular case the Commissioner may also withhold investigatory records that would constitute an unwarranted invasion of personal privacy, disclose investigative

techniques and procedures or endanger the life or physical safety of law enforcement personnel. Investigatory records include all documents, records, transcripts, correspondence, and related memoranda and work product concerning examinations and other investigations and related litigation as authorized by law, which pertain to or may disclose the possible violations by any person of any provision of any of the statutes, rules, or regulations administered the Commissioner: by and all communications from or to any person confidentially complaining or otherwise furnishing information respecting such possible violations, as well as all correspondence and memoranda in connection with such confidential complaints or information;

- 3. if the securities have not been received thirteen (13) business days after the securities can be identified by pool number and factor from which par value can be computed, then 50% of the amount payable shall be excluded from aggregate indebtedness for the next three (3) business days or until receipt of the securities, whichever shall first occur;
- 4. if the securities have not been received in sixteen (16) business days after the securities can be identified by pool number and factor from which par value can be computed, the full amount of the payable shall be included in aggregate indebtedness; unless, if during such time, sixteen (16) business days after the securities can be identified by pool number and factor from which par value can be computed, the securities were presented for receipt to the broker-dealer and the securities were not in a form acceptable for receipt and delivery and the broker-dealer:

- (i) indebtedness arising from the purchase or sale of mortgage backed modified pass-through participation certificates issued or guaranteed by the United States or an agency or corporation or instrumentality thereof when the security is purchased for the broker-dealer's own inventory account until such time as the security is sold by the broker-dealer. At the sale trade date, the provisions of (h) above shall be applicable.
- (4) the term "satisfactory subordination agreement" shall mean a written agreement duly executed by the broker-dealer and the lender, which agreement is biding and enforceable in accordance with its terms upon the lender, his creditors, heirs, executors, administrators, and assigns, and which agreement satisfies all of the following conditions:
  - (a) it effectively subordinates any right of the lender to demand or receive payment or return of the cash or securities loaned to the claims of all present and future creditors of the broker-dealer;
    - the cash or securities are loaned for a term of not less than one year unless the broker-dealer is no longer subject to this Act and Rules;

it provides that the agreement shall not be subject to cancellation by either party and that the loan shall not be repaid and the agreement shall not be terminated, rescinded or modified by mutual consent or otherwise if the effect thereof would be to make the agreement inconsistent with the conditions of this rule or to reduce the net capital of the broker-dealer below the amount required by this rule;

it provides that no default in the payment of interest or in the performance of any convenant or condition by the broker-dealer shall have the effect of accelerating the maturity of the indebtedness;

it provides that any notes or other written instruments evidencing the indebtedness shall bear on their face an appropriate legend stating that such notes or instruments are issued subject to the provisions of a subordination agreement which shall be adequately referred to and incorporated by reference;

it provides that any securities or other property loaned to the broker-dealer pursuant to its provisions may be used and dealt with by the broker-dealer as part of his capital and shall be subject to the risks of the business; and,

one copy of such agreement, and of any notes or written instruments evidencing the indebtedness, is filed with the Securities Commissioner, together with a statement of the full name and address of the lender and whether the broker-dealer carried funds or securities for the lender at or about the time the agreement was entered into.

the amount of subordinated indebtedness which may be excluded from (b) aggregate indebtedness or which may be excluded from the liabilities of a broker-dealer in computing net capital shall, in the case of a corporation, be added to paid in capital, capital surplus, retained earnings and other capital accounts of the corporation, and the sum thereof shall be designated as the "corporate debt-equity total"; and in the case of a partnership, such amounts of indebtedness and equities in the accounts of partners, shall be added to the capital accounts of the partnership and the sum thereof shall be designated as the "partnership debt-equity total"; and, in the case of a sole proprietor, such amounts of indebtedness shall be added to the capital or proprietary accounts of the sole proprietor and the sum thereof shall be designated as the "sole proprietorship debt-equity total". If the amounts of such subordinated indebtedness and, in the case of partnership, equities in the accounts of partners exceed 70% of such corporate debt-equity total, or partnership debt-equity total, or sole proprietorship debt-equity as the case may be, then such excess of subordinated indebtedness and in the case of a partnership, equities in the accounts of partners, shall not be excluded from the aggregate indebtedness of the broker-dealer and shall not be excluded from the liabilities of the broker-dealer in the computation of net capital, and shall not be added to net worth as equities in the accounts of partners.

- (5) the term "customer" shall mean every person except the broker-dealer;
- (6) indebtedness shall be deemed to be "adequately collateralized" within the meaning of this rule, when the difference between the amount of the indebtedness and the market value of the collateral is sufficient to make the loan acceptable as a fully secured loan to banks regularly making loans to broker-dealers in the community;
- (7) securities sold to or purchased from customers subject to being repurchased by the broker-dealer or customer, whether such agreements are written or oral, shall be included in the broker-dealer's inventory and the liability for the repurchase will be shown and shall be subject to the provisions of the net capital and aggregate indebtedness computations.
- (8) each broker-dealer shall make a computation of its net capital and ratio of its aggregate indebtedness to its net capital not less than monthly and in no event later than 15 days after the end of each month, and shall maintain such net capital computations as part of its internal records. Each broker-dealer shall file with the Commissioner a report on its net capital and ratio of its aggregate indebtedness to its net capital as of the end of each month in which its net capital is less than \$50,000.00 or its aggregate indebtedness exceeds 1200% of its net capital, promptly after it has knowledge of such fact and in no event later than 15 days after the end of each month, unless relieved from this reporting requirement in writing by the Commissioner.

This section shall not apply to industrial bonds issued under Act 9 or Amendment 49 of 1960, or to any other bonds provided that it is shown to the satisfaction of the Commissioner in the case of such other bonds that such an arrangement is to the benefit of the issuer. For the purposes of this section the following terms shall have the indicated meanings, unless the context requires otherwise.

- (M) **CONTROLLING PERSONS OR AFFILIATES**. Failing to disclose that the broker-dealer is controlled by, controlling, affiliated with or under common control with the issuer of any security before entering into any contract with or for a customer for the purchase or sale of such security, the existence of such control to such customer, and if such disclosure is not made in writing, it shall be supplemented by the giving or sending of written disclosure at or before the completion of the transaction.

In connection with any particular matter, reference should also be made to any special requirements of procedure and practice that may be contained in the particular statute involved or the rules and forms adopted by the Commissioner thereunder or any relevant laws of the State of Arkansas, which special requirements are controlling.

### 601.04 HEARINGS AND ORDERS.

- (A) **ADMINISTRATIVE PROCEDURE ACT**. All formal hearings before the Commissioner or his duly designated officer shall be in accordance with the provisions of the Arkansas Administrative Procedure Act (Ark. Statue. Ann. §§ 12-15-208 et seq.).
- (B) **TYPES OF HEARINGS**. The Department shall engage in two forms of hearings:
  - (1) Informal hearings these hearings shall be conducted on an informal basis, provided that where applicable all parties agree thereto, to determine the following:
    - (a) Clarification as to complaints filed;
    - (b) Need for formal action by the Department;
    - (c) Possibility of settlement among the parties; and,
    - (d) Such other matters as the Commissioner determines to be within the scope of such a hearing. Informal hearings may be called by the Commissioner or Hearing Officer, upon reasonable notice, prior to or subsequent to a scheduled formal hearing, or in circumstances where no complaint was issued and no formal hearing has yet been scheduled.
  - (2) Formal hearings these hearings shall be conducted on a formal basis and shall be governed by the practices and procedures set out below:
    - (a) Parties. Parties to the proceedings before the Commissioner shall be styled applicants, issuers, broker-dealers, agents, petitioners, intervenors, complainants or respondents, etc., according to the nature of the proceedings and relationship of the parties thereto.
    - (b) Pleadings. Pleadings shall be by application, or complaint, answer, and reply.
    - (c) Pleadings shall be typewritten.
    - (d) Liberal Construction. All pleadings shall be liberally construed with a view to effect justice between the parties, and the Commissioner will at every stage of any proceeding disregard errors or difficulties in the pleadings or proceedings which do not affect materially the substantive rights of the parties involved.

- (e) Evidence. Insofar as applicable, the rules of evidence as interpreted and applied by the Arkansas Courts in civil cases will be followed, but may be relaxed in the discretion of the Commissioner or Hearing Officer when deviation from technical rules will aid in ascertaining the facts. Irrelevant, immaterial and unduly repetitious evidence shall be excluded. Any other oral or documentary evidence, not privileged, may be received if it is the type commonly relied upon by reasonably prudent men in the conduct of their affairs.
- (C) **TRANSCRIPT**. If at any hearing before the Commissioner any party to the proceedings wishes the presence of a court reporter and a transcript of record, such party shall have the burden of procuring such reporter and shall bear the expense of the appearance fee of the reporter as well as the expense of the transcription of the record. A copy of the transcript shall be furnished to the Commissioner free to charge.
- (D) **ORDERS**. No order may be entered unless such order shall include findings of fact, conclusions of law and opinion, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. All interested parties may submit proposed findings of fact. If so done, the order shall include a ruling upon each proposed finding. Parties shall be served either personally or by mail with a copy of the order. Nothing shall prohibit or restrict informal disposition by stipulation, settlement, consent, or default; but if administrative proceedings have been instituted or a complaint filed, an order shall be entered. All orders shall be public. Section 23-42-210 of the Act sets for the procedure for a review of any administrative order entered.
- (E) **INVESTIGATIVE PROCEEDINGS**. Investigation proceedings held pursuant to Section 23-42-205 of the Act and Rule 205 are not hearings, either formal or informal, as that term is used in this Rule. Investigative proceedings shall be used when the party under investigation is not an applicant, registrant, issuer or other person subject to Rule 601.05, 601.06 or 601.07 hereinafter.

Upon sufficient evidence, the Commissioner shall enter an Order directing an investigation and appointing investigative officers. After the conclusion of the investigation: (1) the investigation may be closed without further action upon recommendation of the investigative officers and concurrence of the Commissioner, (2) a Cease and Desist, Injunctive or other civil action may be instituted pursuant to Section 23-42-209 of the Act, or (3) a criminal referral may be made to the appropriate prosecuting attorney.

### 601.05 SECURITIES REGISTRATION STATEMENT.

- (A) The effectiveness of a registration statement for the registration of securities filed pursuant to Sections 23-42-401, 23-42-402 or 23-42-403 of the Act may be denied, suspended or revoked for the causes set forth in Section 23-42-405(a) of the Act and Rule 405 promulgated pursuant thereto.
- (B) A registration statement filed pursuant to Section 23-42-401 of the Act (notification) becomes effective no later than 3:00 p.m. CST two business days after filing with the Commissioner unless a denial, suspension or revocation order or a summary suspension or postponement order is in effect or a proceeding to deny, suspend or revoke the effectiveness is pending. A registration statement filed pursuant to Section 23-42-402 of the Act (coordination) becomes effective concurrent with Federal effectiveness if the registration statement has been on file with the Commissioner for a least ten (10) calendar days and certain pricing information has been on file for two (2) business days or as soon after Federal effectiveness as all the conditions are met unless the Commissioner agrees to accept a waiver of concurrent effectiveness or unless a denial, suspension, or revocation order or a summary suspension or postponement order is in effect or a proceeding to deny, suspend, or revoke the effectiveness is pending. registration statement filed pursuant to Section 23-42-403 of the Act (qualification) becomes effective when the Commissioner orders it effective.
- (C) The Commissioner may issue a Summary Order retroactively denying or suspending effectiveness of a registration statement filed pursuant to Section 23-42-402 of the Act (coordination) if the required notification and pricing amendment is not received. If such an Order is entered, the Commissioner must promptly notify the registrant by telegram or telephone call followed by a letter. If the registrant proves compliance, the Order is void as of the time of its entry.
- (D) Once a registration statement becomes effective, the registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding. A registration statement may be withdrawn before effectiveness or withdrawn after effectiveness but before issuance of any securities of that class. An order suspending or revoking a registration statement after effectiveness affects the issuer's transactions but does not necessarily affect registered security status of any non-issuer transactions [Section 23-42-404(j) of the Act].

- (E) When the staff or the Commissioner learns of an applicant's or registrant's possible failure to comply with the Act or Rules or when it is determined that the applicant or registrant might be subject to one of the provisions set forth in Section 23-42-405(a) of the Act:
  - (1) The applicant may be notified by deficiency letter or telephone, and, after adequate notice, the staff may file a Complaint with the Commissioner asking that a hearing be held to deny, suspend or revoke the effectiveness of the registration statement, or
  - (2) The Commissioner may enter a Summary Order suspending or postponing effectiveness of the registration statement pending final determination of a proceeding to deny or revoke the effectiveness. If an applicant's response to a deficiency letter or telephone call is not deemed to show compliance, the applicant may be allowed to withdraw the registration statement prior to its effectiveness. The filing of a Complaint by the staff with the Commissioner shall be deemed to be the institution of a proceeding. Entering of a Summary Order postponing or suspending effectiveness shall be deemed to be the institution of a proceeding. A Stop Order, except as that term is used in Section 23-42-402 of the Act referring to a retroactive summary order (Rule 601.05 C above), shall mean a final order entered in disposition of the institution of a proceeding.
- (F) Each Complaint, Summary Order, or Order shall be written and shall state:
  - (1) The legal authority and jurisdiction under which a hearing is to be or was held;
  - (2) The name(s) of the applicant or registrant;
  - (3) A short and plain statement of the matters of fact and law asserted; and
  - (4) If applicable, the time and place of the hearing.
- (G) If a Complaint or Summary Order is entered, the applicant, registrant, issuer and the person on whose behalf the securities are to be or have been entered shall be notified by certified or registered U.S. Mail. The date for a hearing on a Summary Order shall be set no more than fifteen (15) days after receipt of a written request to hold such a hearing; if no hearing is requested, the Order will remain in effect until modified or vacated. The date for a hearing on a Complaint shall be set no sooner than 15 days after filing of the Complaint unless an earlier date is agreed to by the parties.

- (H) The Commissioner may, pursuant to Section 23-42-202(b) of the Act, delegate his powers to a Hearing Officer. If a Summary Order is entered, the Commissioner may, in his discretion, be the Hearing Officer if a hearing is requested.
- (I) Nothing in this Rule shall prohibit or restrict an informal disposition of a Complaint or Order by stipulation, settlement, consent or default:
  - (1) In lieu of a formal or informal hearing on the matter, or
  - (2) In lieu of the sanctions imposed.

In all instances an Order shall be entered in disposition of the institution of a proceeding.

All orders may be vacated or modified if conditions change or it is otherwise in the public interest to do so. Such modifications will be evidenced by an Amended Order.

- (B) A security or transaction meeting the requirements of Section 23-42-503 or 23-42-504 of the Act and the Rules promulgated thereunder becomes automatically effectively exempted from registration unless:
  - (1) For those securities or transactions which require a proof of exemption to be filed, the Commissioner or his staff has disallowed the exemption within five business days after receipt or,
  - (2) A complaint or Summary Order denying the exemption has been filed or entered.

- (C) A security or transaction exemption filed in accordance with Section 23-42-503(d) or 23-42-504(b) may be disallowed when:

In the event any of the above grounds are present with respect to an application, the applicant will be notified by deficiency letter or telephone call on or before the fifth business day after receipt of the filing. Such deficiency letter or telephone call shall serve as notice in lieu of a formal Order. Upon an applicant's failure to comply with the deficiencies:

- (1) The applicant may request that the filing be withdrawn,
- (2) A formal Order disallowing the security or transactional exemption will be entered, or
- (3) If applicable, a Summary Order or a Complaint to deny the exemption will be entered.
- (D) An exempt security or transaction subject to Sections 23-42-503(a)(8), (a)(10) (b), and (c) and 23-42-504(a)(9), (10), (11), or (14) may be denied prior to issuance or execution when it is determined:

  - (2) The security or transaction fails to comply with any provisions of the Act or Rules;
  - (3) There has been or is about to be conduct prohibited by the Act; or

(4) A required filing was not made.

A security or transaction exemption subject to Sections 23-42-503(a)(8), (a)(10), (b), (c), or 23-42-504(a) may be revoked after issuance or execution when it is determined that:

- (1) The exemption claimed was not available;
- (2) The filing, if made, was not complete or contained false and misleading statements of omissions of material fact;
- (3) A fact or event becomes known which would have been the cause of a disallowance or denial of the exemption had it been known;
- (4) The claimant failed to comply with the Act or Rules; or
- (5) A claimant did not comply with representations made or conditions imposed.

The Commissioner may not disallow, deny or revoke an exemption for a security claimed pursuant to Sections 23-42-503(a)(1), (2), (3), (4), (5), (6), (7), (9), or (11), however, the Commissioner may take or recommend an action pursuant to the applicable investigative, injunctive, civil or criminal provisions of the Act.

- (E) Under the circumstances set forth in Paragraph D above, the staff may file a complaint to disallow, deny or revoke an exemption or the Commissioner may summarily disallow, deny or revoke an exemption. Each Complaint, Summary Order, or Order shall be written and shall state:
  - (1) The legal authority and jurisdiction under which a hearing is to be or was held;
  - (2) The name(s) of the applicant or registrant;
  - (3) A short and plain statement of the matters of fact and law asserted; and,
  - (4) If applicable, the time and place of the hearing.

- (F) If a complaint or Summary Order is entered, all interested parties shall be notified by certified or registered U.S. Mail. The date for a hearing on a Summary Order shall be set no more than fifteen (15) days after receipt of a written request to hold such a hearing; if no hearing is requested the Order will remain in effect until modified or vacated. The date for a hearing on a Complaint shall be set no sooner than 15 days after filing of the Complaint unless an earlier date is agreed to by the parties.
- (G) The Commissioner may, pursuant to Section 23-42-202(b) of the Act, delegate his powers to a Hearing Officer. If a Summary Order is entered, the Commissioner may, in his discretion, be the Hearing Officer if a hearing is requested.
- (H) Nothing in this Rule shall prohibit or restrict an informal disposition of a Complaint or Order by stipulation, settlement, consent or default:
  - (1) In lieu of a formal or informal hearing on the matter, or
  - (2) In lieu of the sanctions imposed.

In all instances an Order shall be entered in disposition of the institution of a proceeding. All Orders may be vacated or modified if conditions change or it is otherwise in the public interest to do so. Such modifications will be evidenced by an Amended Order.

- (I) In any proceeding under Sections 23-42-503 or 23-42-504 the burden of proving an exemption or an exception from a definition is upon the person claiming it.
- (J) No person may be considered to have violated Section 23-42-501 of the Act by reason of any offer or sale effected after the entry of an Order issued pursuant to Section 23-42-503 or 23-42-504 if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known, of the Order.

(A) An application for registration, an application for withdrawal of registration, a registration, or a withdrawal may be denied, suspended or revoked for the causes set forth in Section 23-42-308(a) of the Act and Rule 308 promulgated pursuant thereto. Under the circumstances set forth in Section 23-42-308(d) of the Act, a registration may be canceled.

(B) Registration becomes effective no later than noon on the thirtieth day after a completed application is on file unless a summary denial order is in effect or unless a proceeding is pending to deny the application.

Undertaking an investigation of an applicant pursuant to Section 23-42-032(e) of the Act shall not be deemed to be the institution of a proceeding.

The Commissioner may by Order summarily postpone or suspend registration without the necessity of first instituting a proceeding. The Commissioner or the staff may not, however, institute a suspension or revocation proceeding or summarily postpone or suspend registration on the basis of a fact or transaction known to the Commissioner or the staff at the time an applicant's registration became effective unless such proceeding is instituted or such Order is entered within one hundred and eighty (180) days after registration effectiveness or unless the applicant or registrant waives such time limitation.

- (C) Withdrawal from registration becomes effective no later than 30 days after notice to the Commissioner unless a revocation or suspension proceeding is pending when the notice is filed or unless a proceeding is instituted within the thirty days. Even if withdrawal becomes effective, a proceeding based upon Section 23-42-308(a)(2)(B) of the Act may be instituted within one year after the withdrawal effective date.
- (D) An applicant or registrant may agree in writing to allow the Commissioner or his staff additional time after registration or withdrawal becomes effective in which to investigate or examine facts or transactions thus extending the time limitation in which a suspension or revocation proceeding can be instituted.
- (E) When the staff or the Commissioner learns, through examination or otherwise, of an applicant's or registrant's possible failure to comply with the Act or Rules or when it is determined that the applicant or registrant might be subject to one of the provisions set forth in Section 23-42-308(a) of the Act or a cancellation of registration pursuant to Section 23-42-308(d) of the Act, the staff of the Department may by letter notify such applicant or registrant of the alleged violation or action and set a period of time in which applicant or registrant must show compliance. If the applicant's or registrant's response to the staff's letter is deemed not to show compliance with the Act or Rules or shows the applicant or registrant to be subject to Section 23-42-308(d) of the Act, a Complaint may be filed by the staff with the Commissioner asking that the matter be set for a hearing. The sending of such a letter shall not be deemed to be the institution of a proceeding. The staff must first send a letter and provide an opportunity for the applicant or registrant to show compliance with the Act or Rules before filing a complaint with the Commissioner.

- (F) The filing of a Complaint by the staff with the Commissioner shall be deemed to be the institution of a proceeding to deny an application for registration or withdrawal or revoke or suspend the registration of a broker-dealer, agent, investment adviser, or investment adviser representative. Each complaint and order shall be written and shall state:
  - (1) The legal authority and jurisdiction under which a hearing is to be or was held;

A summary order entered prior to a hearing can be used to postpone or suspend registration or withdrawal; revocation can occur only after the filing of a compliant and notice of hearing.
- (H) The Commissioner may, pursuant to Section 23-42-202(b) of the Act, delegate his powers to a Hearing Officer. If a Summary Order is entered, the Commissioner may, in his discretion, be the Hearing Officer if a hearing is requested.
- (I) Nothing in this Rule shall prohibit or restrict an informal disposition of the Complaint or Order by stipulation, settlement, consent or default:
  - (1) In lieu of a formal or informal hearing on the matter, or
  - (2) In lieu of the sanctions imposed.

In all instances an order shall be entered in disposition of the institution of a proceeding.

All orders and complaints may be modified, amended or dismissed. Such action shall be governed by the rules of procedure set forth hereinabove.

(J) If the Commissioner issues an order which imposes a suspension, revocation, or cancellation of the registration of a person or bars that person from further association with any registrant, the registrant shall not allow that person to remain associated with it in any capacity whatever, including clerical or ministerial functions. When an individual is suspended, a registrant in addition to the above, shall not pay or credit any salary, commission, profit, or other remuneration which results directly or indirectly from any security transaction which that individual might have earned during the period of suspension.
